

Dear Sir or Madam,

We would like to extend an invitation to join us for the inaugural meeting of the Worcestershire Sub Regional Green Infrastructure Partnership to be held at the Conference Room, Natural England, Worcester on the 12th of March 9:30 – 12:00.

The meeting has been arranged with a view to inviting stakeholder organisations to join and contribute to the Partnership and will include an introduction of the work that has been undertaken to date in developing an evidence base for green infrastructure and invite comment on how this work can be taken forward in the future with your help.

Please note this meeting is to discuss approaches to green infrastructure within the Worcestershire Sub Region rather than to present an end product and your views, comments and ideas will be welcomed.

Places are limited so if you are able to attend please confirm at the earliest opportunity or by Wednesday the 12th of February to:

Martyn Wilson
Planning Assistant
Strategic Planning & Environmental Policy
